

# Request from Nishi Police Station

In case of emergency such as a crime or a traffic accident, call

Why you should dial 110?

Call a police box (Koban), directly.

Hmm, they don't answer the phone. Are they busy?

Why?

- Police officers may be away for patrolling or dealing with a crime or a traffic accident
- Police officers may be on another line dealing with another report.

By phone

Police box

Call 110

It's fast, easy and steady!

Hello, am I speaking to the police?

Yes, this is the 110 police emergency call.

Report

communication command center

Commands to officers on the scene

Police station

Police headquarters

Police box

- Calling 110 connects you to Communication Command Center in the Police Headquarters. You can report the matter to the police 24 hours a day, 365 days a year for sure.
- By receiving 110 calls and giving commands simultaneously, police officers will be dispatched to the scene immediately.
- Police cars, helicopters and special investigators will be dispatched to the scene if needed.

If not in a hurry, call #9110
